**MINISTER OF  
TOURISM, CULTURE, HERITAGE, SPORT AND CONSUMER PROTECTION**

Room 118  
LEGISLATIVE BUILDING  
WINNIPEG, MANITOBA, R3C 0V8  
CANADA

OCT 08 2014

His Honour the Honourable Philip S. Lee, C.M., O. M.  
Lieutenant Governor of Manitoba  
Room 235, Legislative Building  
Winnipeg MB R3C 0V8

May It Please Your Honour:

I have the privilege of presenting the Annual Report of the Vital Statistics Agency for the year ended March 31, 2014, for the information of Your Honour.

Respectfully submitted,

A handwritten signature in cursive script that reads "Lemieux".

Honourable Ron Lemieux  
Minister  
Tourism, Culture, Heritage, Sport and  
Consumer Protection

**Tourism, Culture, Heritage, Sport and Consumer Protection**

Honourable Ron Lemieux  
Minister of Tourism, Culture, Heritage,  
Sport and Consumer Protection  
Room 112, Legislative Building  
Winnipeg MB R3C 0V8

Dear Mr. Lemieux:

I have the honour to submit the Annual Report of the Vital Statistics Agency for the year ended March 31, 2014.

In the past fiscal year, the Agency has devoted considerable time and effort in the development of legislative amendments related to change of sex designation in birth records and open adoption information. The staff and managers also completed work on the regulation, forms and processes that will require fingerprinting as a step for name changes.

Manitoba Vital Statistics Agency continues to monitor security of its information through continuous review of its practices and site requirements; and continues to use lean techniques to review strategies and streamline processes.

I thank the staff and management for their dedication and hard work.

Respectfully submitted,

Terry Goertzen  
Deputy Minister  
Tourism, Culture, Heritage, Sport  
and Consumer Protection

Vital Statistics Agency 254 Portage Avenue, Winnipeg, MB R3C 0B6 Canada  
Bureau de l'état civil 254, avenue Portage, Winnipeg MB R3C 0B6 Canada

Terry Goertzen  
Deputy Minister  
Tourism, Culture, Heritage, Sport and Consumer Protection  
Room 112, Legislative Building  
Winnipeg MB R3C 0V8

Dear Mr. Goertzen:

Enclosed please find Vital Statistics Agency's Annual Report for the year ending March 31, 2014. Our managers and staff worked very hard to prepare for legislative and regulatory changes, and to improve services and processing times.

After considerable consultation with our stakeholders, amendments to *The Vital Statistics Act* were developed to allow transgendered individuals to change the sex designation on their birth record without having to provide proof of surgery.

For several years, Manitoba Family Services and Vital Statistics Agency have worked to develop a strategy to provide adoptees and their families with birth information. Amendments were developed to change *The Adoption Act* and *The Vital Statistics Act*. Both the Post-Adoption Registry and Vital Statistics Agency have much work to complete in preparation for the implementation of these amendments in 2015..

The Agency has completed preparation for implementation of the 2011 amendment to *The Change of Name Act* which requires fingerprinting as part of the legal name change process to enable law enforcement to link criminal records to new names.

I commend the staff and counsel for balancing information sharing and privacy protection as they developed and signed information sharing agreement with a number of partners including both federal and provincial government agencies both Federal and Provincial.

I thank the hardworking employees of the Vital Statistics Agency as they are committed to making sure this office is effective, efficient and consistent. They continue to deliver strong turn-around times; revise and modernize processes, forms and instruction sheets; and tighten security protocols.

I also want to express my appreciation for each member of the management team. Each brings skills specific to their field and provides outstanding work but more importantly to me, they are great co-workers whose daily humour, support, creativity and enthusiasm is invaluable.

Sincerely,

Susan Boulter  
Director and Chief Operating Officer

# ADVISORY BOARD

Vital Statistics Agency's Advisory Board provides advice on structure, business practices, finances and performance through reviews of business plans, quarterly reports and annual reports. The Advisory Board members are appointed by the Minister.

The Advisory Board is Chaired by **M. Alexandra Morton Q.C.**,  
Assistant Deputy Minister, Consumer Protection Division,  
Tourism, Culture, Heritage, Sport and Consumer Protection Department.

The members of the Advisory Board include;

**Susan Boulter** - Chief Operating Officer, Vital Statistics Agency  
Healthy Living, Seniors and Consumer Affairs

**Joanna Knowlton** - Public Trustee, Office of the Public Trustee  
Manitoba Justice (retired January 1, 2014)

**Wilf Falk** - Chief Statistician, Manitoba Bureau of Statistics  
Manitoba Entrepreneurship, Training and Trade

**Debbie Besant** - Executive Director, Rural and Northern Service  
Manitoba Family Services and Labour

**Leslie Russell** - Manager, Winnipeg Office  
Passport Canada

**Pam Lorentz** - Staff Representative, Vital Statistics Agency  
Tourism, Culture, Heritage, Sport and Consumer Protection

---

# VITAL STATISTICS COUNCIL FOR CANADA

Manitoba's Vital Statistics Agency is a member of the Vital Statistics Council for Canada. The Council provides a forum for developing a common approach to collecting vital statistics data across the nation, sharing information with external parties, and facilitating problem-solving through shared experiences, research findings, and expertise among the jurisdictions.

Established in 1945, the Vital Statistics Council for Canada is a partnership of registrars within the provincial/territorial jurisdictions who register all vital events in Canada and the federal officials responsible for the production and analysis of national statistics.

All provincial and territorial registrars provide vital statistics data to Statistics Canada for inclusion in a national database. All levels of government use the data to enhance effective and efficient public administration. The data collected makes it possible to generate statistical research, analysis, comparisons, and projections on mortality, fertility, nuptial arrangements, life expectancy, and population densities, as well as other demographic and geographic trends.

---

# AGENCY PROFILE

## HISTORY AND FUNCTION

Vital Statistics began registering vital events in Manitoba in 1882. The Vital Statistics Agency is now a Special Operating Agency that operates within the Consumer Protection Division of Tourism, Culture, Heritage, Sport and Consumer Protection. The Agency has been a Special Operating Agency since April 1, 1994, and is responsible for administering and enforcing *The Vital Statistics Act*, *The Marriage Act*, *The Change of Name Act* and processing disinterments under *The Public Health Act*.

Event Registrars in hospitals, health facilities, personal care and nursing homes, funeral homes; members of the clergy; and marriage commissioners assist the Agency by submitting event data of all vital events occurring within the province, as required by legislation.

Approximately four million vital event records are preserved and safe-guarded by the Vital Statistics Agency. Access to records is provided only in accordance with legislation that protects the privacy of all Manitobans. As well as providing the source data for issuance of certificates, the event data collected in the Agency's registry system offers statistical information.

## VISION

The Agency's vision is to strive for excellence through responsive and innovative delivery of vital statistic services.

## MISSION

The Agency's mission is to ensure accurate and timely registration of vital events for health planning and research, and to provide the public with courteous, timely, and cost-effective services relating to these events in a manner that effectively meets all legislative and statutory requirements.

## MANDATE

To fulfill this mission, the Agency maintains the provincial registry for births, marriages, deaths, and stillbirths; issues certificates and certified copies from vital event registrations; and provides statistical reports and services relating to *The Vital Statistics Act*.

The Agency registers clergy, appoints marriage commissioners, registers marriage licence issuers, registers common-law relationships, issues marriage licences, and recognizes religious denominations under *The Marriage Act*.

# ORGANIZATIONAL STRUCTURE

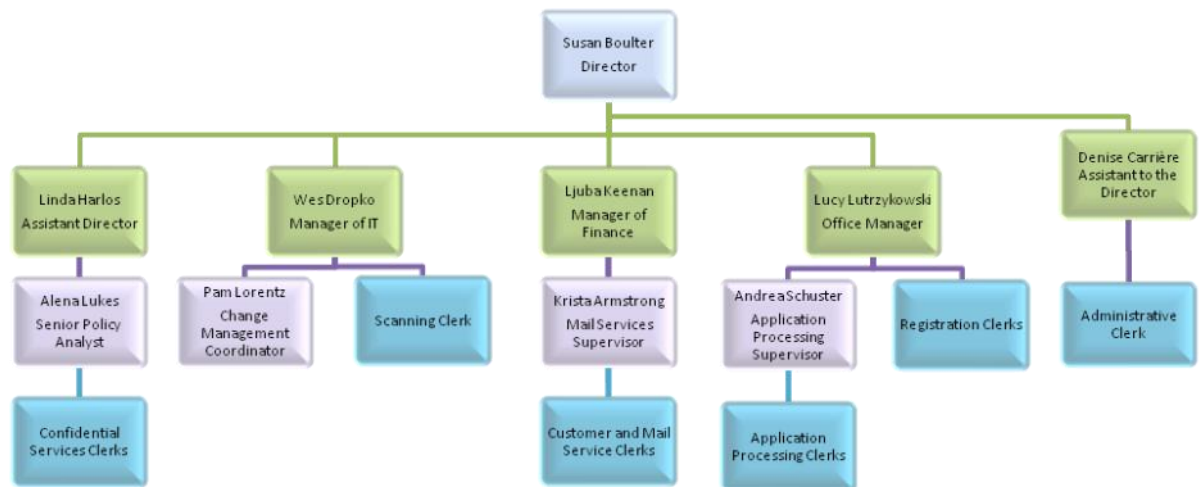

Vital Statistics Agency's Management team consists of:

- Chief Operating Officer
- Assistant Director
- Manager, Information Technology
- Manager of Finance
- Senior Policy Analyst
- Office Manager
- Supervisor, Applications Processing
- Supervisor, Customer and Mail Services

The Chief Operating Officer reports to the Assistant Deputy Minister of Consumer Protection. The Agency currently has thirty-seven regular and six term positions. It has the authority to hire additional term staff when needed.

Vital Statistics Agency constantly reviews its staffing complement to ensure it is appropriately staffed to meet operational needs while working on any upcoming major initiatives.

## ORGANIZATIONAL CHART (as of March 31, 2014)

---

# PRODUCTS AND SERVICES

## OUR CUSTOMERS

The general public is the largest consumer of the Agency's services. Statistics Canada is also a major data user of vital event information in both record copy and data file formats. Courts, financial, and health institutions, police, physicians, numerous government departments and agencies, and all vital statistics offices in other jurisdictions request information and services.

## OUR SERVICES

The Agency maintains records of all vital events that occur in Manitoba. Information is available for research as set out by legislation, or from the Health Statistics Division of Statistics Canada. The Agency provides:

- \* polymer birth certificates with the option to include parent(s) name(s);
- \* certificates for changes of name;
- \* certificates for marriages and deaths;
- \* certified copies of registrations for birth, marriage, death, and stillbirth;
- \* record searches (including genealogical searches) and issuing search receipts;
- \* amendments of records for corrections, adoptions and change of name;
- \* statistical information for bona fide research;
- \* marriage licenses;
- \* orders authorizing disinterment;
- \* burial and re-burial permits;
- \* appointments of clergy and commissioners to perform marriages;
- \* commemorative birth and marriage certificates; and
- \* registrations of common-law relationships.

## ENSURING EXCELLENCE

The Agency is committed to ensuring service turnaround times, product diversity, customer satisfaction, and operational efficiency and effectiveness compare favourably to those of other jurisdictions across Canada.

## SERVICE ACCESSIBILITY

Application forms can be downloaded from the Agency's bilingual website at <http://vitalstats.gov.mb.ca>.

Applications for certificates are also available at the Agency's main office and other government offices such as land title offices and bilingual service centres (St. Boniface, Notre Dame de Lourdes, and St. Pierre Jolys).

# SPECIAL PROJECTS

## ***THE VITAL STATISTICS ACT and THE ADOPTION ACT AMENDMENTS***

Manitoba Family Services and Vital Statistics Agency worked together to develop changes to legislation to open previously sealed birth records to adoptees and birth parents.

## ***THE CHANGE OF NAME ACT***

As a result of amendments to *The Change of Name Act*, Vital Statistics Agency is implementing changes to the process involved in legal change of name. The Act will require applicants to obtain fingerprints before the name change is approved.

The Agency developed regulations and made changes to the processes, forms and brochures, website, and information technology system.

## **ELECTRONIC INFORMATION VERIFICATION**

Both provincial and territorial Vital Statistics Offices and the federal government share a responsibility to ensure document integrity and the prevention of counterfeiting, forgery, and otherwise fraudulent use of documents. Recognizing the importance of birth certificates as foundation documents, the Vital Statistics Council for Canada proposed a means of electronically authenticating certificates through the creation of the National Routing System, designed as a conduit to move data to and from Vital Statistics Offices.

Manitoba developed the necessary interface for the National Routing System, with Manitoba Public Insurance as the Agency's first client. The Agency is using the National Routing System to transport information to Manitoba Public Insurance, Service Canada, and the Canada Revenue Agency, and is discussing agreements with other interested agencies.

## **SPECIAL NOTE**

### ***THE PUBLIC INTEREST DISCLOSURE (WHISTLEBLOWER PROTECTION) ACT***

Any disclosures of wrongdoing received by the Vital Statistics Agency under *The Public Interest Disclosure (Whistleblower Protection) Act* will be reported in the annual report for the Department of Tourism, Culture, Heritage, Sport and Consumer Protection

# ACTIVITIES PERFORMED
