Honourable Ron Lemieux
Minister of Tourism, Culture, Heritage, Sport and Consumer Protection
Room 112, Legislative Building
Winnipeg MB R3C 0V8

Dear Mr. Lemieux:

I have the honour to submit the Annual Report of the Vital Statistics Agency for the year ended March 31, 2015.

The 2014/15 fiscal year saw the implementation of two very important legislative initiatives. As of August 1, 2014 fingerprinting became mandatory for adults wishing to change their legal name. This step will reduce the likelihood that individuals with a criminal record will evade detection.

Effective February 1, 2015 the Agency no longer requires proof of surgery for transgender adults and mature minors to change the sex designation on Manitoba birth registrations and certificates. Consultations with the transgender community are continuing as the Agency takes steps to provide individuals with a change of sex designation on their Manitoba marriage registration and a change of sex designation certificate for Canadian citizens not born in Manitoba.

Thank you to the staff and management for their efforts to provide excellent customer service and relevant legislative changes while protecting the integrity and security of our foundational identity documents.

Respectfully submitted,

Terry Goertzen
Deputy Minister

Vital Statistics Agency 254 Portage Avenue, Winnipeg, MB R3C 0B6 Canada
Bureau de l'état civil 254, avenue Portage, Winnipeg MB R3C 0B6 Canada

Mr. Terry Goertzen
Deputy Minister
Tourism, Culture, Heritage, Sport and Consumer Protection
Room 112, Legislative Building
Winnipeg MB R3C 0V8

Dear Mr. Goertzen:

I am pleased to present the Annual Report of the Vital Statistics Agency for the year ended March 31, 2015.

A major goal of the Agency is to maintain relevance in a fast changing society, while protecting the security of our identity documents. Implementation of two new legislative amendments helped to achieve this goal.

On August 1, 2014, amendments to *The Change of Name Act* came into effect requiring adult applicants to obtain fingerprints before the name change is approved. This change will enable law enforcement to link criminal records to new names.

An amendment to *The Vital Statistics Act* eases the process for transgender adults and mature minors to change the sex designation on Manitoba birth registrations and certificates. Effective February 1, 2015 transgender individuals no longer require proof of surgery, only a statutory declaration and a supporting letter from a health care professional.

The Agency is currently working with Manitoba Justice's Family Law Branch on changes to legislations to address the registration of children born through assisted human reproduction, including surrogacy.

I deeply appreciate all the staff for sharing their knowledge, patience and good humor with a new Director. They are dedicated to the customers they serve, take pride in their work and are committed to exploring changes to modernize our processes.

I want to extend a special thank you to Janice Knight, the interim Director for part of this year. Her leadership and direction was particularly valuable as Manitoba Family Services and the Agency continue their collaboration on the changes required to provide adoptees and their families access to sealed birth records.

Sincerely,

Denise Koss
Director and Chief Operating Officer

ADVISORY BOARD

Vital Statistics Agency's Advisory Board provides advice on structure, business practices, finances and performance through reviews of business plans, quarterly reports and annual reports. The Advisory Board members are appointed by the Minister.

The Advisory Board is Chaired by **Gail Anderson**
Assistant Deputy Minister, Consumer Protection Division,
Tourism, Culture, Heritage, Sport and Consumer Protection Department.

The members of the Advisory Board include:

Denise Koss - Director and Chief Operating Officer, Vital Statistics Agency
Tourism, Culture, Heritage, Sport and Consumer Protection

Wilf Falk - Chief Statistician, Manitoba Bureau of Statistics
Manitoba Jobs and the Economy

Debbie Besant - Chief Executive Officer
General Child and Family Services Authority

Leslie Russell - Manager, Winnipeg Office
Passport Canada

Trina Larsen - Team Manager
Women's Health Clinic

Pam Lorentz - Staff Representative, Vital Statistics Agency
Tourism, Culture, Heritage, Sport and Consumer Protection

VITAL STATISTICS COUNCIL FOR CANADA

Manitoba's Vital Statistics Agency is a member of the Vital Statistics Council for Canada. The Council provides a forum for developing a common approach to collecting vital statistics data across the nation, sharing information with external parties, and facilitating problem-solving through shared experiences, research findings, and expertise among the jurisdictions.

Established in 1945, the Vital Statistics Council for Canada is a partnership of registrars within the provincial/territorial jurisdictions who register all vital events in Canada and the federal officials responsible for the production and analysis of national statistics.

All provincial and territorial registrars provide vital statistics data to Statistics Canada. All levels of government use the data to enhance effective and efficient public administration. The data collected makes it possible to generate statistical research, analysis, comparisons, and projections on mortality, birth rates, nuptial arrangements, life expectancy, and population densities, as well as other demographic and geographic trends.

AGENCY PROFILE

HISTORY AND FUNCTION

The Vital Statistics Agency became a Special Operating Agency on April 1, 1994, and currently operates within the Consumer Protection Division of Tourism, Culture, Heritage, Sport and Consumer Protection.

The Vital Statistics Agency is responsible for administering and enforcing *The Vital Statistics Act*, *The Marriage Act*, *The Change of Name Act*, processing disinterments under *The Public Health Act*, and protecting privacy under *The Personal Health Information Act* and *The Freedom of Information and Protection of Privacy Act*.

The Vital Statistics Agency began registering vital events in Manitoba in 1882. There are now more than four million records in the provincial vital event registry. Vital events are registered with the assistance of appointed Event Registrars who certify vital events that occur within the province. Appointed Event Registrars can be found in hospitals, health facilities, funeral homes, personal care and nursing homes, or may include members of the clergy or appointed Marriage Commissioners.

Registered vital event information may be used to issue certificates or documents purchased by eligible individuals, or for statistical analysis to understand trends in the Manitoba population.

VISION

The Agency's vision is to strive for excellence through responsive and innovative delivery of vital statistics services.

MISSION

The Agency's mission is to ensure accurate and timely registration of vital events for health planning and research, and to provide the public with courteous, timely, and cost-effective services relating to these events in a manner that effectively meets all legislative and statutory requirements.

MANDATE

To fulfill this mission, the Agency maintains the provincial vital event registry; issues certificates and certified copies from vital event registrations; and provides statistical reports and services relating to *The Vital Statistics Act*.

ORGANIZATIONAL STRUCTURE

Vital Statistics Agency's Management team consists of:

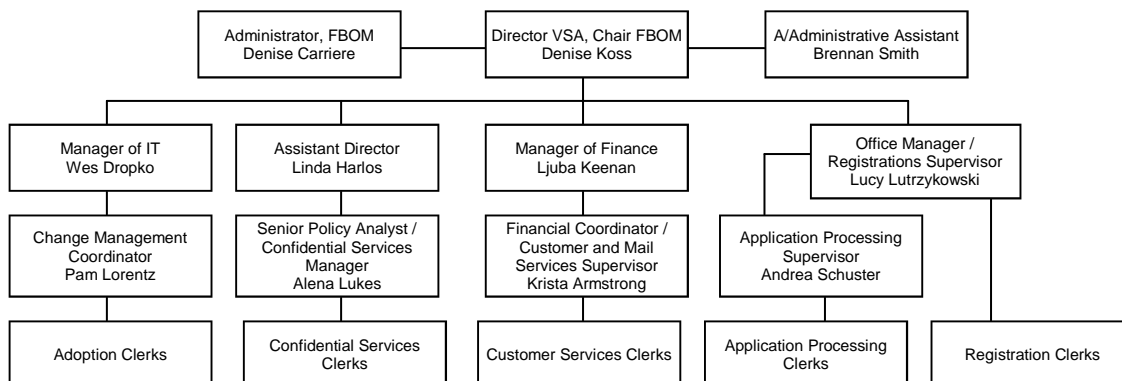

- Director and Chief Operating Officer
- Assistant Director/ Manager of Legislation, Policy, Planning and Privacy
- Manager of Information Technology
- Manager of Finance
- Senior Policy Analyst and Confidential Services Manager
- Office Manager and Registrations Supervisor
- Applications Processing Supervisor
- Customer and Mail Services Supervisor
- Change Management Coordinator
- Administrator, Funeral Board of Manitoba

The Director and Chief Operating Officer reports to the Assistant Deputy Minister of Consumer Protection. The Agency currently has thirty-seven regular and six term positions.

The Vital Statistics Agency is organized into four main operational units: the Customer Service Unit is a first point of contact for the general public and incoming requests; the Registration Unit enters vital event information into the provincial vital event registry; the Application Processing Unit issues certificates and other documents based on Manitoba vital events; the Confidential Services Unit processes amendments to vital event records and provides identity management services.

The Vital Statistics Agency also relies on the following business units to provide specialized services: the Finance Unit provides accounting and comptrollership services, the Information Technology Unit provides specialized information technology infrastructure and support, as well as authorized electronic notifications; the Change Management Unit provides quality assurance and implements coordinated change across the Agency, the Policy Unit provides legislatively compliant exception management and policy advice on operational issues, as well as development of policy, legislation and Information Sharing Agreements.

ORGANIZATIONAL CHART (as of March 31, 2015)

PRODUCTS AND SERVICES

OUR CUSTOMERS

The general public is the largest consumer of the Agency's products. Data and statistical services are purchased by health institutions, law enforcement agencies, researchers, other federal and provincial government departments and agencies.

OUR PRODUCTS AND SERVICES

The Agency maintains records of all vital events that occur in Manitoba. Information is available for research as set out by legislation. The Agency provides:

Products

- * polymer birth certificates with the option to include parent(s) name(s);
- * commemorative birth and marriage certificates;
- * certificates of legal changes of name;
- * certificates of marriages and deaths;
- * certified copies of vital event registrations;
- * marriage licenses;
- * record searches (including genealogical searches);
- * search receipts.

Services

- * registration of birth, stillbirth, adoption, marriage, common-law relationship, dissolution of common-law relationship, legal change of name, election or resumption of surname, death;
- * registration of marriage licence issuers;
- * amendments to records;
- * statistical information and data;
- * validation and notification of provincial registry information;
- * orders authorizing disinterment;
- * burial and re-burial permits;
- * appointments of clergy and commissioners to perform marriages;
- * appointments of Event Registrars;
- * recognition of religious denomination under *The Marriage Act*.

ENSURING EXCELLENCE

The Agency is committed to product integrity, service excellence, and operational efficiency comparable to other jurisdictions across Canada.

SERVICE ACCESSIBILITY

The Vital Statistics Agency strives for accessibility to services. Services are available at the barrier-free Agency location at 254 Portage Avenue, or via its bilingual website at <http://vitalstats.gov.mb.ca/index.html>. The Agency will provide forms in alternate formats if requested.

SPECIAL PROJECTS

THE CHANGE OF NAME ACT

As a result of amendments to *The Change of Name Act*, Vital Statistics Agency worked to implement changes to the process involved in a legal change of name. The changes came into effect on August 1, 2014 and require applicants to obtain fingerprints before the name change is approved.

The Agency developed regulations and made changes to the processes, forms and brochures, website, and information technology system.

SECTION 25 OF THE VITAL STATISTICS ACT AMENDMENTS

Vital Statistics Agency worked to implement amendments to section 25 of *The Vital Statistics Act*. The main feature of this change came into effect on February 1, 2015 and permits individuals to apply for a change of sex designation without undergoing surgery.

THE VITAL STATISTICS ACT and THE ADOPTION ACT AMENDMENTS

Manitoba Family Services and Vital Statistics Agency worked together to develop changes to legislation to open previously sealed birth records to adoptees and birth parents.

THE VITAL STATISTICS ACT and THE FAMILY MAINTENANCE ACT AMENDMENTS

Vital Statistics Agency worked with Manitoba Justice's Family Law Branch to develop changes to legislation to address the registration of children born through assisted human reproduction, including but not limited to surrogacy.

AGREEMENTS

Vital Statistics Agency worked with partners to develop agreements addressing data and statistical needs; specialized information technology; and document microfilming and digital imaging.

SPECIAL NOTE

THE PUBLIC INTEREST DISCLOSURE (WHISTLEBLOWER PROTECTION) ACT

No disclosures of wrongdoing were received by the Vital Statistics Agency under *The Public Interest Disclosure (Whistleblower Protection) Act*.
